Foreword

We present a collection of the year's most delightful memories in our 1950-51 Crossroads.

Memories of the past enhance the present and help us plan for the future. So here we record our memories of Joplin Junior College, and of the friends that we have known here. Fun and studies, clubs and classes, sports and exams, make up our circus of memories of J.J.C.

To you, the students and the faculty of
Joplin Junior College
to each of you individually, we dedi-
cate this 1951 CROSSROADS.

May it serve as a pleasant re-
minder of a great year at J.J.C.

We, the staff, hope you en-
joy reading this book
as much as we en-
joyed bringing
it to

Football

The Joplin Lions racked up another successful year on the grid-iron. They fought their way through a tough season to the tune of five wins and only three losses.

The season culminated in the Homecoming parade and dance and the presentation of the letters to the team by Coach Don Faurot from M.U. The 1950-51 team set a goal for the 1951-52 Lions to strive for.

They gave an excellent account of themselves both on and off the court and shall be remembered for the clean sportsmen they are.

Class Room Pictures

Reading Down: Typing Class—This is one of the more outstanding classes of the college. Due to racket!

Botany Class—One of the larger classes in the college. Everyone wants to know about the birds, bees and flowers.

Geography Class—Mr. Gockel has a new set of maps and don't think he doesn't show them off.

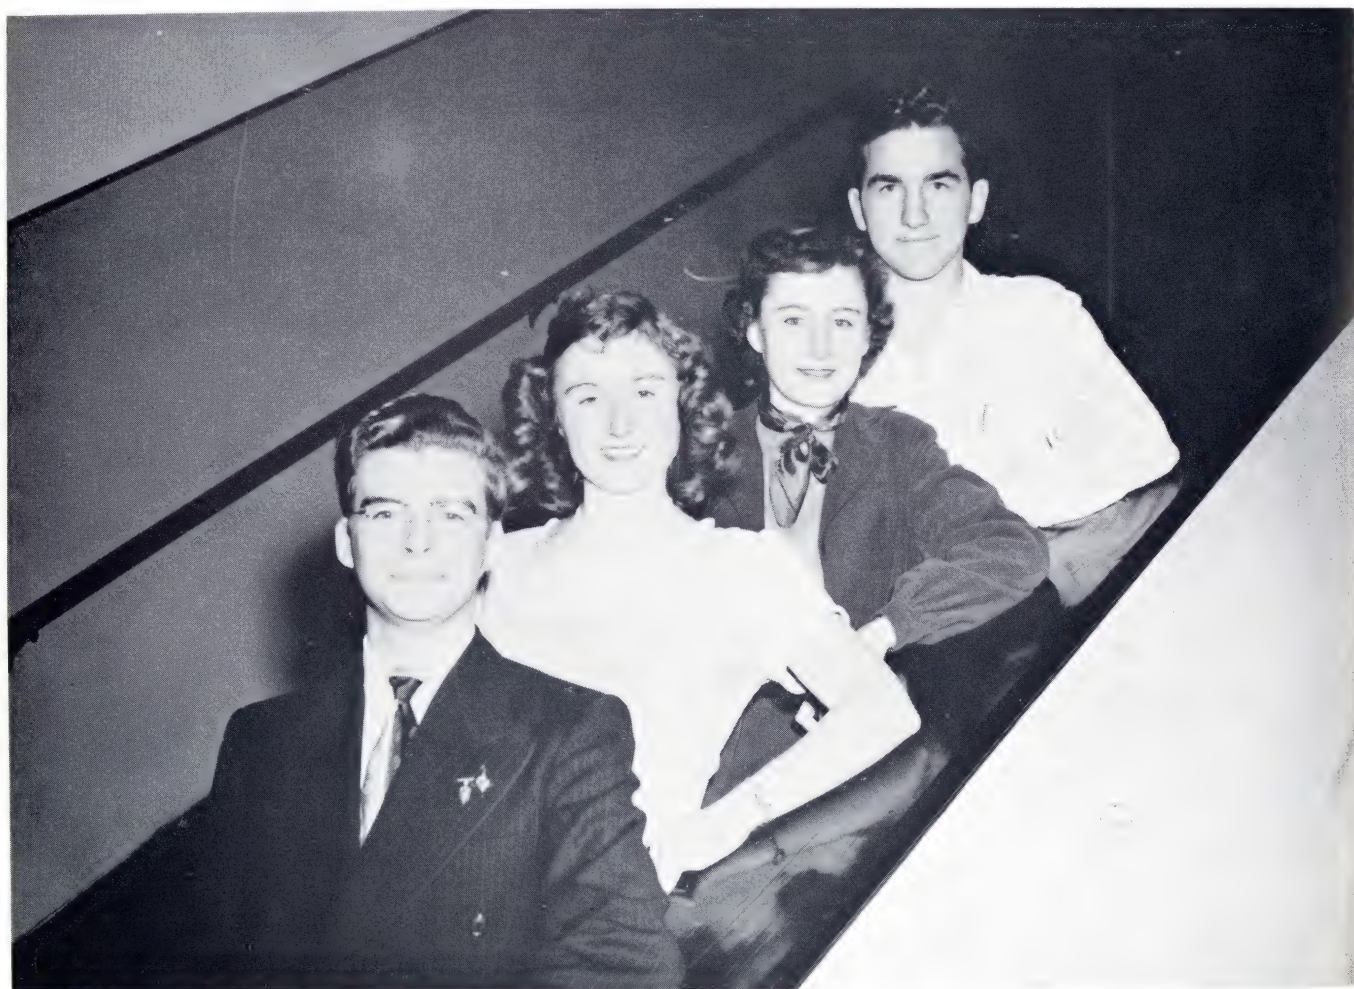

Reading Down: Geometry Class—Our future engineers are now learning to pose for a picture.

Psychology Class—I don't believe the photographer used good psychology.

Chemistry Class—How many times must you be told Warner, Do not drink your experiments!

Sophomore Class

The Sophomores have been active in every phase of school life. They have provided officers for the Student Senate and the Student Cabinet, leaders to the various college organizations, and have claimed a number of athletes in football, basketball, and track. They also have participated in the music and dramatic activities of the college. And, most important of all, the sophomore students have maintained a high scholastic standard. They have added their bit, indeed, in making 1950-51 a successful year.

Around The Building

1. Our beautiful library. 2. No year book this year but John, Mick and Ed will have fun. The dealer said the car sure has good pick up. 3. Sure hope Dixie makes it up the hill. 4. What will Shirley say, John? 5. Algebra class, cinch course. 6. Mary and her baby contest. 7. Ray and Vi, is this love? 8. Minnie sure looks cold.

9. Geneva and Vi, what are you waiting on girls? 10. Blaine Hall. 11. Look out Smiley, don't lose your head. 12. Winners of the baby contest. 13. Chemistry class, look at all the little Einsteins. 14. The UMBAAS are at it again. Kemp, Jay, Strap, George, Mick, and Bill made up the terror. 15. Eldridge and Short are sure taking up this picture.
